RESPONSE TO NON-FINAL OFFICIAL ACTION

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the non-final Official Action mailed April 5, 2005 in the above-captioned application, Applicants submit the following response. Applicants thank the Examiner for indicating that Claims 20-38 are allowable. As to Claim 1, Applicants respectfully traverse the Examiner's interpretation of that claim and the conclusion that Claim 1 is not patentably distinct from U.S. Patent No. 6,718,237. Nonetheless, to expedite allowance of the pending claims, Applicants are following the Examiner's suggestion, and request that the attached Terminal Disclaimer be entered. This response and the disclaimer are submitted as a full and complete response to the Official Action. The Applicants respectfully submit that the present application is in condition for allowance. Such action is hereby courteously solicited.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail addressed to: Commissioner for Patents, P. O. Box 1450, Alexandria, VA 22313-1450, on June 17, 2005.
